# **R900999022 CSH2 SERIES 3X HYDRAULIC CYLINDER CONFIG Bosch Rexroth**

**Reference:** R900999022

## **Short description**

R900999022

## **Description**

The R900999022 CSH2 SERIES 3X hydraulic cylinder from Bosch Rexroth is an original product, configurable online, featuring a round design and single-rod piston. It includes an integrated stroke measurement system and offers various output signals, such as analog and digital outputs, including Profibus and Profinet. With a nominal pressure of 250 bar and variable piston and rod sizes, this cylinder ensures superior quality and local support through CreatX Technology SRL.
