R901396832 Pressure Switch HEDE 11 A1-1X/250/K41G24/2/V Bosch Rexroth

Reference: R901396832

Short description

R901396832

Description

The R901396832 Pressure Switch HEDE 11 A1-1X/250/K41G24/2/V allows easy adjustment of switching points via 2 adjustment rings. This electronic pressure switch features 2 antivalent switching outputs and a pressure range of 0 ... 250 bar. An original Bosch Rexroth product, supported locally by CreatX Technology SRL, ensures superior quality and reliability in industrial applications.
