R901425454 Pressure Switch HEDE10-3X/400/2/-GI-K35-0 Bosch Rexroth

Reference: R901425454

Short description

R901425454

Description

The R901425454 Pressure Switch HEDE10-3X/400/2/-GI-K35-0 is a high-quality hydraulic sensor featuring a display for pressure values and parameters. This original Bosch Rexroth product ensures additional transfer of pressure values and diagnostics via IO link. All components in contact with media are made of stainless steel, providing excellent overload and burst resistance. The electronic pressure switch includes a clear display, two switching outputs, and a pressure range of 0 ... 400 bar. Enjoy local support through CreatX Technology SRL.
