R901425475 AUTOMATIC MANOMETRIC HEDE10-3X/400/1/-GI- K35-0 Bosch Rexroth

Reference: R901425475

Short description

R901425475

Description

The R901425475 AUTOMATIC MANOMETRIC HEDE10-3X/400/1/-GI-K35-0 is a high-quality hydraulic sensor designed for precise display of pressure values and parameters. This original Bosch Rexroth product offers additional transfer of pressure values and diagnostics via IO link. All components in contact with media are made of stainless steel, ensuring excellent overload and burst behavior. The electronic pressure switch includes a display, one switching output, and one analog output 0...10 V / 4...20 mA, with a pressure range of 0 ... 400 bar. The product is supported locally by CreatX Technology SRL.
