R901450000 Hydraulic Accumulator Bosch Rexroth

Reference: R901450000

Short description

R901450000

Description

The R901450000 hydraulic accumulator from Bosch Rexroth is a fully assembled tank unit mounted on a console, consisting of a bladder accumulator, tank shut-off block, and a red-marked pressure gauge. This original product offers superior quality and local support through CreatX Technology SRL. The 1.0 l bladder accumulator and NG10 shut-off block ensure efficient manual discharge, making it ideal for industrial applications.
