R901567604 Hydraulic Cylinder AX CYTROMOTION Bosch Rexroth

Reference: R901567604

Short description

R901567604

Description

The R901567604 AX CYTROMOTION hydraulic cylinder from Bosch Rexroth is an original product, providing a compact and energy-efficient solution for converting electrical energy into precise motion. With a force of 45 kN and a 300 mm stroke, this fully pre-tested system ensures easy and flexible electrical integration. Benefit from local support through CreatX Technology SRL for installation and repairs.
