3842146815 FOUNDATION BRACKET 160X90X42X4 Bosch Rexroth

Reference: 3842146815

Short description

3842146815

Description

The 3842146815 foundation bracket, an original Bosch Rexroth product, is perfect for securing frames to the floor. With a length of 160 mm, this bracket allows for hole perforation for dowels without disassembly, providing a significant technical advantage. CreatX Technology SRL ensures local support and superior quality.
