Description

The support wheel 3842218942, also known as Support Wheel D48X30, is an original Bosch Rexroth product, providing local support through CreatX Technology SRL. This wheel is perfect for mounting trolleys or roller sections, compatible with profiles with a 10 mm groove. Thanks to the grooved ball bearing and large diameter, it offers excellent rolling properties and ESD conductivity. Choose Bosch Rexroth's superior quality and reliability for your industrial applications.
