3842218953 Sliding Guide Accessories Profile Bosch Rexroth

Reference: 3842218953

Short description

3842218953

Description

The 3842218953 sliding guide is designed for a 10 mm profile groove, providing cost-effective solutions for translatable tool suspension systems. The sliding stone can be used as a stopper, with a maximum load capacity of 150 N. Original Bosch Rexroth products are available with local support through CreatX Technology SRL.
