3842522305 Keyboard Support Profile Accessories Bosch Rexroth

Reference: 3842522305

Short description

3842522305

Description

The 3842522305 keyboard support is an essential accessory for workspace optimization. It includes a carrying arm and supports for both keyboard and mouse, making it ideal for efficient preparation of a screen or material container. With multiple articulated bearings, this original Bosch Rexroth product offers superior quality and local support through CreatX Technology SRL.
