3842523921 Hammerhead Screw M6x20 Profile Accessories Bosch Rexroth

Reference: 3842523921

Short description

3842523921

Description

The Hammerhead Screw M6x20, code 3842523921, provides a secure and conductive connection, perfect for industrial applications. The notch at the end of the screw acts as a position indicator, ensuring correct installation. This original Bosch Rexroth product, available through CreatX Technology SRL, requires no profile processing, guaranteeing superior quality and local support.
