3842525781 DOUBLE DOOR CONSTRUCTION SET 1500 Bosch Rexroth

Reference: 3842525781

Short description

3842525781

Description

The 3842525781 double door mounting set B1500 from Bosch Rexroth is ideal for use as a finished protective frame door. Subsequent installation is simple in a protective fence, and optionally, a commercially available locking cylinder can be mounted in the double door locking system. Necessary components include a double door mounting set and two protective frames. This original product offers local support through CreatX Technology SRL and guarantees superior quality.
