3842526415 RETURN CAP LF20S Bosch Rexroth

Reference: 3842526415

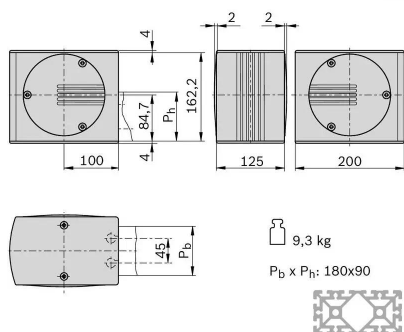

Short description

3842526415

Description

The 3842526415 LF20S return cap from Bosch Rexroth is an original product, perfect for changing direction and tensioning the toothed belt. It is easily mounted with the joint connection element directly on the profile, included in the delivery set. Profile processing is done with a blind hole LF-S, ensuring superior quality and local support through CreatX Technology SRL.

20804
