3842530281 HAMMER NUT 10 M4 Bosch Rexroth

Reference: 3842530281

00109376

Short description

3842530281

Description

The 3842530281 hammer nut for 10 mm groove, made of galvanized steel, ensures a secure and conductive connection. This standard element includes a stopper for correct positioning in the profile groove and does not require profile processing. The isolation cap allows for direct grounding component disconnection. Original Bosch Rexroth product, available with local support from CreatX Technology SRL.
