3842530352 SLIDING DOOR LOCK Profile Accessories Bosch Rexroth

Reference: 3842530352

Short description

3842530352

Description

The sliding door lock, code 3842530352, ensures uniform and secure closure, suitable for right or left stoppers. This Bosch Rexroth lock features an ergonomic foldable handle and automatic locking in the closed position. An original product, locally supported by CreatX Technology SRL, guarantees superior quality and reliability. Profile processing requires a D6.4 hole.
