3842532887 Roller Support D32 L-300/50 Bosch Rexroth

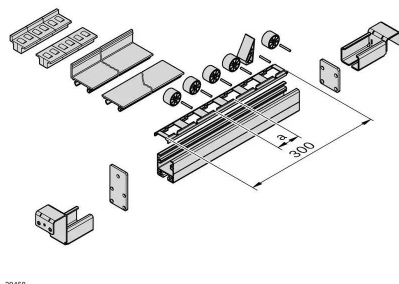

Reference: 3842532887

Short description

3842532887

Description

The Roller Support D32/50, code 3842532887, is a crucial component for mounting manual transport sections. Based on the multifunctional profile, this roller support is designed for D32 and D32SK rollers, featuring a robust steel axle. The transport elements are snap-in, providing flexibility for various needs. The rollers are available in 4 colors for efficient object visualization, and the sliding rails can have integrated side guides. Original Bosch Rexroth product, local support through CreatX Technology SRL.
