3842535458 QUICK CONNECTOR N10 0 Bosch Rexroth

Reference: 3842535458

Short description

3842535458

Description

The 3842535458 N10 0° quick connector is a galvanized steel joining piece, perfect for right-angle joining of two profiles. It provides excellent tool accessibility during assembly and can be pivoted in the profile groove. The ring seal ensures overhead mounting, and the product is original, offering local support through CreatX Technology SRL. Consider the different drilling distances and variable load capacity.
