3842535571 INTERNAL CORNER 10 R Bosch Rexroth

Reference: 3842535571

Short description

3842535571

Description

The internal corner 3842535571, type 10 R, from Bosch Rexroth, is an original product, perfect for elegant and easy-to-install profile joints. It does not require profile processing and is ideal for mounting door frames, protective grilles, or partition walls. Superior quality and local support through CreatX Technology SRL ensure efficient and durable use.
