3842535619 Double Connector D17X15 10/10 Bosch Rexroth

Reference: 3842535619

Short description

3842535619

Description

The double connector 3842535619 D17X15 10/10 is a crucial joining piece for right-angle connections of two profiles. It includes D17x15 bolts and is designed to withstand heavy loads, including torsion. Profile processing requires D11 and D17 through holes. Original Bosch Rexroth product, available with local support through CreatX Technology SRL.
