3842535629 Quick Connector 8-S/N Bosch Rexroth

Reference: 3842535629

Short description

3842535629

Description

The quick connector 3842535629, type 8-S/N, is a flexible front-clamping piece with N8 groove, ideal for front joining two profiles at random angles. This original Bosch Rexroth product ensures superior quality and local support through CreatX Technology SRL. Perfect for specialized work, with profile processing including blind hole DB11, DB17 or through hole D11, D17 and corner joint cut.
