3842536670 ANGLE S 20X20 SET Bosch Rexroth

Reference: 3842536670

Short description

3842536670

Description

The Angle S 20x20 set, code 3842536670, is perfect for subsequent mounting in closed frame constructions. This threaded angle bracket allows for nearly gap-free support of surface elements. Different mounting positions of the surface element can be achieved: coplanar with the profile edge or placed in front of the profile by breaking the centering lug. Original Bosch Rexroth products with local support through CreatX Technology SRL.
