3842536671 ANGLE S 30X30 SET Bosch Rexroth

Reference: 3842536671

Short description

3842536671

Description

The Angle S 30x30 set, code 3842536671, is an original Bosch Rexroth product, perfect for subsequent mounting in closed frame constructions. This threaded angle bracket supports surface elements with minimal gaps, allowing for flexible positioning either coplanar with the profile edge or in front of the profile. The product is backed by local support from CreatX Technology SRL, ensuring superior quality and reliability.
