## 3842537807 CONTACT RAIL SF AUSSEN ESD L-3000 Bosch Rexroth

**Reference:** 3842537807

### Short description

3842537807

### Description

The 3842537807 SF AUSSEN ESD L=3000 contact rail from Bosch Rexroth is an original product, perfect for manual transport sections. Based on the multifunctional U-profile, it provides flexible solutions with snap-in transport elements. Available with rollers in various colors for object visualization and with integrated lateral guide sliding rails, it is ideal for steeply inclined conveyor belts. CreatX Technology SRL offers local support and repairs for this high-quality product.
