Reference: 3842538050

Short description

3842538050

Description

The SF rail support without stop, code 3842538050, is a retrofittable guide for XLean and Lean conveyor belts. It can be combined with all XLean and Lean transport media, offering bilateral use as a side guide and sliding rail due to its T-shaped cross-section. Its compact design saves space, and high stability is ensured through secure fixation. Original Bosch Rexroth product, available with local support through CreatX Technology SRL.
