3842538673 D59 FIXING FOOT Bosch Rexroth

Reference: 3842538673

Short description

3842538673

Description

The 3842538673 D59 FIXING FOOT from Bosch Rexroth is an original product, offering superior quality and local support through CreatX Technology SRL. This stainless steel foot plate is perfect for compensating floor unevenness up to 10°, being part of a modular system that allows random combinations. The shafts and foot plates can be freely combined, and the plates feature a fixing hole for simple threaded floor connection. Profile processing includes M thread in the pulling device.
