3842538680 D79A ZN Black Fixing Foot Bosch Rexroth

Reference: 3842538680

Short description

3842538680

Description

The 3842538680 D79A ZN Black fixing foot is an original Bosch Rexroth product, perfect for profile accessories. This oval foot plate with a screw hole allows for floor unevenness compensation up to 10°. The modular system allows random combinations of shafts and foot plates, ensuring flexibility and adaptability. The product benefits from local support through CreatX Technology SRL, ensuring superior quality and reliability in use.
