3842544776 PARTITION WALL GZ,ESD Bosch Rexroth

Reference: 3842544776

Short description

3842544776

Description

The 3842544776 PARTITION WALL GZ,ESD from Bosch Rexroth facilitates the handling of small parts like screws and nuts, ideal for mounting on conveyor belts. This original product, available through CreatX Technology SRL, offers quick and secure gripping thanks to its corrugated surface and rubber lip. It is perfect for separating mixed parts and ensures precise placement on the gripper cup.
