3842546747 GRIP EDGE T95, ESD Bosch Rexroth

Reference: 3842546747

21416

Short description

3842546747

Description

Product code 3842546747, GRIP EDGE T95, ESD, by Bosch Rexroth, is an essential accessory for easy handling of small parts like screws and nuts. Ergonomically designed for mounting on conveyor belts, this gripper cup offers quick and secure gripping. The self-mounting elements allow customization of the cup with various lengths and divisions. With a wavy surface and rubber lip, it ensures precise placement and efficient separation of parts. Original product, available through local support by CreatX Technology SRL.
