3842546763 DYNAMIC-PU HIGH ROTARY CHAIR Bosch Rexroth

Reference: 3842546763

Short description

3842546763

Description

The 3842546763 Dynamic-PU High rotary chair is perfect for mechanical manufacturing, offering multiple adjustment options: seat height, tilt, and depth, as well as backrest height. The synchronization technology ensures synchronized movement of the backrest and seat. With a maximum load capacity of 120 kg, the chair is wear-resistant and easy to clean, protected against mild acids and alkalis. Original products with local support through CreatX Technology SRL.
