3842548123 D28 Bracket 90-270 Bosch Rexroth

Reference: 3842548123

Short description

3842548123

Description

The D28 bracket, code 3842548123, is an original Bosch Rexroth product, perfect for pivot applications due to its easy 15° raster adjustment. This high-quality accessory allows automatic mounting and axial movement along the D28L round tube. Enjoy local support through CreatX Technology SRL.
