3842548710 Cover Cap K40x40 Bosch Rexroth

Reference: 3842548710

Short description

3842548710

Description

The 3842548710 cover cap for rectangular corner K40x40 from Bosch Rexroth is an original product, providing superior protection against injuries and dirt. It is easily mounted on profiles using self-tapping screws, without the need for profile processing. Ideal for corner joining of three square or semi-round profiles, this cap is available in grey. Enjoy local support through CreatX Technology SRL.
