3842548788 Cover Cap 40x80 Bosch Rexroth

Reference: 3842548788

Short description

3842548788

Description

The 3842548788 cover cap is a crucial accessory for industrial profiles, providing protection against injuries at open ends. Its stylish design and 12.5 mm hole allow for use with articulated feet and rollers. Original Bosch Rexroth product, available with local support from CreatX Technology SRL.
