Reference: 3842548871

Short description

3842548871

Description

The 3842548871 cover cap for 50x50 gusset by Bosch Rexroth is an original product, perfect for quick and precise installation thanks to centering lugs. These can be easily broken for plate or transverse mounting. Available in grey and black ESD versions, this cap prevents dirt accumulation and does not require profile processing. Enjoy local support through CreatX Technology SRL.
