3842548969 Multi Use Adapter Plate Bosch Rexroth

Reference: 3842548969

Short description

3842548969

Description

The 3842548969 Multi Use Adapter Plate by Bosch Rexroth is an original product, offering local support through CreatX Technology SRL. It requires no profile processing and is suitable for right or left stoppers. The 'uniform closure' variant always uses the same key, while the 'standard closure' offers random key selection. Suitable for numerous profile combinations, with hidden fixing screws. Slot size varies according to profile raster.
