3842551036 Cover Cap D9.8 Bosch Rexroth

Reference: 3842551036

Short description

3842551036

Description

The 3842551036 cover cap for D9.8 pass-through lock is an original Bosch Rexroth product, perfect for sealing pass-through holes in closed profiles. This is the most affordable joining element and can be easily mounted with a self-tapping screw, without requiring profile processing. Enjoy local support through CreatX Technology SRL for all your repair and maintenance needs.
