3842551052 Cover Cap D11X23.5 Bosch Rexroth

Reference: 3842551052

33402

Short description

3842551052

Description

The 3842551052 Cover Cap D11 x 23.5 is perfect for right-angle joining of two profiles. It allows profile processing with D11 and D17 through-holes, suitable for heavy loads, including torsion. Installation is possible in closed frames, providing a significant technical advantage. Original Bosch Rexroth products are available with local support through CreatX Technology SRL.
