3842551564 Cover Cap 22.5x30 Bosch Rexroth

Reference: 3842551564

Short description

3842551564

Description

The 3842551564 cover cap for 22.5x30 profiles is an original Bosch Rexroth product, provided by CreatX Technology SRL. This high-quality accessory ensures efficient mounting of tablets and materials, noise-free due to pretensioning. Ideal for right-angle joining of profiles, without the need for additional processing.
