3842552214 FI/RCCB MODULE D Bosch Rexroth

Reference: 3842552214

Short description

3842552214

Description

The FI/RCCB Module 3842552214 is a high-quality residual current circuit breaker, ideal for space-saving due to socket inserts with inclined plugs. An original Bosch Rexroth product, offered with local support through CreatX Technology SRL, this module is designed for fixed installation and includes an RCD safety switch with $I_{\Delta n} = 30$ mA, compliant with DIN VDE 0100-410 standard. It provides superior protection against electric shock and is perfect for final AC circuits with a nominal current up to 32 A.
