3842554150 SWING DOOR Latch Bosch Rexroth

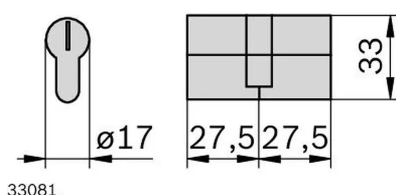

Reference: 3842554150

Short description

3842554150

Description

The 3842554150 SWING DOOR Latch, an original Bosch Rexroth product, provides a high-quality solution for sliding doors. It requires no profile processing and is suitable for right or left stoppers, compatible with numerous profile combinations. Its design allows for the installation of a standard commercial locking cylinder, with hidden fixing screws for a clean look. Supported locally by CreatX Technology SRL, ensuring quick support and repairs.
