3842554446 CONNECTING SLEEVE 45 30X30 Bosch Rexroth

Reference: 3842554446

00109495

Short description

3842554446

Description

The 3842554446 connecting sleeve, type 45° 30x30, is an original Bosch Rexroth product, perfect for joining profiles at a 45° angle. This high-quality accessory requires no profile processing and is ideal for frame stiffening. It is suitable for front or groove profile connections, providing centering pieces for easy positioning. Benefit from local support through CreatX Technology SRL.
