3842557950 PROFILED RAIL 30X45C 20X6070MM Bosch Rexroth

Reference: 3842557950

Short description

3842557950

A = 4,4 cm²
I_x = 10,3 cm⁴
I_y = 5,6 cm⁴
W_x = 4,2 cm³
W_y = 3,7 cm³
m = 1,2 kg/m

Description

The 3842557950 30x45C profiled rail is perfect for mobile suspension of parts, used in various applications such as workbenches or EcoSafe sliding doors. It includes a trolley with dust-protected ball bearings, ensuring easy and secure movement. An original Bosch Rexroth product, offered with local support through CreatX Technology SRL, guarantees superior quality and reliability. The trolley with an eye allows for easy suspension of carabiner hooks, and the end piece acts as a cover cap with a stopper.
