3842558245 Separation Mesh CGP H60 3000MM Bosch Rexroth

Reference: 3842558245

Short description

3842558245

Description

The 3842558245 CGP H60 3000MM separation mesh from Bosch Rexroth is a high-quality separator element designed to divide the cable guide profile into 2 or 3 chambers. This original product ensures efficient guidance of various types of cables, including power and data cables. Thanks to the separator's inclination, cables are kept in the designated chamber, even in horizontal mounting positions. Enjoy local support through CreatX Technology SRL.
