3842558249 Edge Protection CGP 120X120 ESD Bosch Rexroth

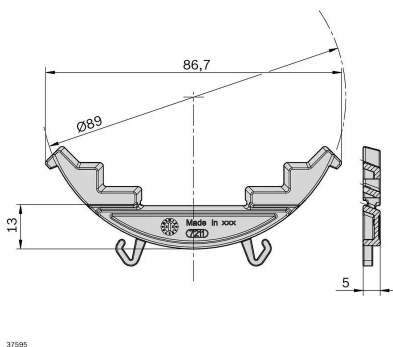

Reference: 3842558249

Short description

3842558249

Description

The 3842558249 Edge Protection CGP 120X120 ESD from Bosch Rexroth is the ideal solution for protecting cables when passing over sharp edges. This original product, supported locally by CreatX Technology SRL, integrates seamlessly between cable channel joints and guide profiles. Easy fixation with spring lock ensures efficient subsequent use. Superior quality and advanced technical design make this protection the perfect choice for industrial applications.
