

3842558502 SPACER PLATE CGP 20X120 Bosch Rexroth

The 3842558502 CGP 20X120 spacer plate is an original Bosch Rexroth product, providing local support through CreatX Technology SRL. It allows the mounting of cover caps on joint parts for cable channels, ensuring edge protection for safe cable guidance. Includes 2 pieces for easy assembly and cable execution on a joint part for 1/2 cable channels.
