Reference: 3842558570

00110923

Short description

3842558570

Description

The DOUBLE BALL CLOSER 10 80X80X18 is an original Bosch Rexroth product, perfect for securing doors on the profile frame and covering door slots. Compatible with profiles of 40, 45, and 50, it provides secure closure even at varied profile distances. Superior quality and local support through CreatX Technology SRL ensure efficient and durable use.
