3842562055 Guide/Steering Roller D125 F ESD PATH Bosch Rexroth

Reference: 3842562055

00109721

Short description

3842562055

Description

Guide roller D125 F, ESD PATH, code 3842562055, is perfect for ESD-sensitive areas, featuring conductive execution according to DIN EN 61340-5-1 and a leakage resistance $\leq 10^6 \Omega$. This original Bosch Rexroth product, available through CreatX Technology SRL, is suitable for clean rooms and offers versatile use. The rollers have excellent rolling properties and can be mounted in the profile groove or in the profile pulling device. The locking device ensures blocking to prevent wheel rolling and rotation.
