3842563229 DRAWER CABINET CONTAINER 600_6 ESD Bosch Rexroth

Reference: 3842563229

Short description

3842563229

Description

The 3842563229 DRAWER CABINET CONTAINER 600_6 ESD from Bosch Rexroth is an original product, featuring six drawers with damping and soft closing, ball guide, and automatic pull-out. The ergonomic aluminum grip rail ensures comfortable use. It can be mounted suspended on the table frame or plate. Each drawer supports a load of 350 N, and the entire cabinet supports 850 N. Available in ESD conductive design, this high-quality product is backed by local support from CreatX Technology SRL.
