3842567426 Electric Container Lifter Bosch Rexroth

Reference: 3842567426

Short description

3842567426

Description

The Bosch Rexroth electric container lifter, code 3842567426, provides an ergonomic solution for handling parts at the workplace. It allows manual or automatic lifting and lowering, compatible with Basic and Comfort manual switches. The equipment features wheels for semi-mobile use and ESD execution for sensitive areas. Easy installation with a 10 mm groove for component mounting and simple connection via HD cable. Original products are locally supported by CreatX Technology SRL.
