3842995007 ECOFLOW STOPPER Bosch Rexroth

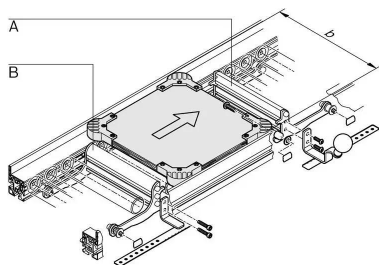

Reference: 3842995007

Short description

3842995007

Description

The ECOFLOW STOPPER 3842995007 is a crucial separator and return lock for positioning workpiece supports or containers. With a structure mounted 45 mm downwards, this original Bosch Rexroth product ensures optimal foot clearance from the planning stage. We recommend using a workpiece support with corner pieces for a defined stopper. Benefit from local support through CreatX Technology SRL.
