3842995017 ECOFLOW RETURN STOP Bosch Rexroth

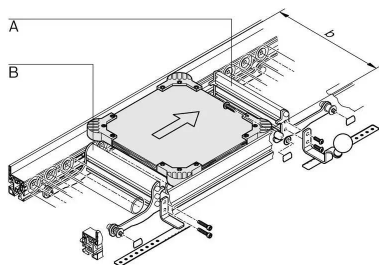

Reference: 3842995017

Short description

3842995017

Description

Return lock EL = 105...1005. Separator and return lock for positioning workpiece supports or containers. From the planning stage, ensure sufficient foot clearance. The separator and return lock form a structure mounted 45 mm downwards. We recommend using a workpiece support with corner pieces for a defined stopper. Original products, local support through CreatX Technology SRL.
